~ Pricing & Information Guide ~

We know you have enough to worry about when planning your wedding, so we make it really easy for you to choose from just a two wedding video packages, along with our “Friend of the Family” pricing.

~ Take A Look ~

~ Package A - Our Most Popular Package ~

Ceremony and Reception on DVD + Digital Version all shot in cinematic film style with the latest technology, 2 - 3 cameras, and covering all the highlights throughout your ceremony and reception from decorations, guests, walk down the aisle and first kiss to guest well wishes, receiving line, speeches, bouquet and garter tosses, cake cutting and dancing. Doing a “first look?” We have you covered. Your wedding “film” is professionally edited to DVD complete with colour artwork and printed disc label. The completed film is approximately 60 minutes and you will receive a second copy as a backup. We also produce a short “highlights” version for you to share with family and friends through Facebook, email, etc. THERE’S MORE!! You also get a free 24x36 FRAMED Theatrical Film Poster, just like you see hanging in theatre displays and it’s designed using video stills from your wedding film. I Do Wedding Videography is the innovators of these theatrical film posters. We treat your wedding video as a film shoot, so we want you to have the poster to go with it just like a real movie. Your film is shot using a minimum of two cameras, and we incorporate the use of gimbals, sliders and steady-cams for a true cinematic experience. We also do Ariel/Drone video wherever we can - all inclusive! We are pro filmmakers who actually work in the film industry, having worked on films worldwide. We shoot HD, 4k, and 5k. Don’t trust something this special to just any videographers. You receive all this for only \$2500.00. We aren’t kidding when we say we offer “Friend of the Family” pricing.

~ Package B - Includes Morning Prep ~

This packages includes everything from Package A, plus we shoot the bride and groom morning prep. We come to your residence, salon or hotel for coverage of you both preparing for the special day ahead. Cinematic film of the bride’s gown, accessories, bridesmaids and family to the guys, the tuxes, boutonnieres, rings and accessories. We even do formal interviews with the bride and groom; You’ll love watching each other share stories about how you met, what you love about each other and the funniest things that have happened along the way. And it’s just \$3000.00 for this comprehensive capturing your occasion right from the start.
